

PLAYER ADVISORY GROUP 2015

The IRPA Player Advisory Group is made up of 48 international player representatives (mandated by their fellow players) from the top twenty National 15's teams and the men and women world sevens series teams. The IRPA Player Advisory Group provides the IRPA board and management with feedback on all international issues of importance to players and the game including topical matters such as season structure, player development programs and dual careers, player mental and behavioural health and well being, game integrity, wagering and corruption, anti-doping, concussion, game rules and regulations, agents, competition structures, player release, insurance, tournament terms of participation, employment standards and conditions.
